MOOSE TO COLLECT PLACARDS

As soon as the remaining "Hope Chest" placards are returned to the Moose, James A. Evans, secretary, will turn over a check to the Southern California Chapter of National Multiple Sclerosis Society covering the many dime collected through the use of the counter collection cards.

Joseph Piatt, civic affairs committee chairman, extended the thanks of the lodge to the following business organizations: Jim Dandy markets, A & P markets, Gerald Grubb and the Madrid market, Spring's Hobby shop, Louie's liquors, National Barber shop, Cales liquor, Center Shoe repair and Wood's liquor. Piatt also expressed his appreciation for the assistance rendered by Mrs. Foster J. Kelly during the drive.

The counter collection method of obtaining donated funds to help fight MS was a substitute this year for the house-to-house "march" of previous years.

Will Receive Inoculation Against Flu

Patients and employees in California's fifteen state mental hospitals will receive protection against the threatened epidemic of Asiatic influenza the Department of Mental Hygiene announced today.

At the regular quarterly administrative conference of the Superintendents of the hospitals in Sacramento the decision to inoculate and make such inoculation available to all employees was reached following an examination of the recommendations made by public health officials.

Flu Not Serious
 The hospital superintendents decided that, although there was considerable evidence that real danger from the Asiatic flu is not of a serious nature, a n'y threat of an epidemic required them to take every step possible to protect California's mental hospital patients.

An emergency fund to provide enough vaccine for the 17,000 employees and 47,000 patients will be asked of the State Department of Finance.
